26 June 2026

Dear Parents/Guardians,

We look forward to welcoming your child/ward back to school on Monday, 29 June 2026. We hope that you and your family have enjoyed a meaningful and refreshing Mid-Year School Holiday.

If you recall, in our earlier Term 1 and Term 2 letters, we shared about NorthLight School's 20,000KM for 20 challenge (*20Kfor20*), an initiative launched to commemorate our school's 20th anniversary. We are delighted to share that the challenge concluded successfully with a symbolic walk involving students, staff, alumni, partners, and supporters. Together, the NorthLight community clocked an impressive **26,919 kilometres**, surpassing our target of 20,000 kilometres. This achievement reflects the strong spirit, commitment, and support of our community, and we would like to thank all who contributed to this meaningful milestone.

We would also like to share that our Year 4 students successfully completed their Industrial Experiential Programme (IEP) last term. We are grateful for the strong support and encouragement from parents and guardians, which played an important role in helping our students benefit fully from this valuable learning experience.

Term 3 promises to be an exciting and enriching one for our students. In addition to celebrating NorthLight School's 20th Anniversary Gala on Thursday, 9 July 2026, where the President of the Republic of Singapore, Mr Tharman Shanmugaratnam, will be our Guest-of-Honour, students can look forward to a range of learning experiences and school events. These include National Day celebrations, Values-in-Action projects, leadership programmes, learning journeys, and co-curricular activities that will enrich their learning and support their holistic development.

As we begin the second half of the year, we seek your continued partnership in supporting and encouraging your child. Your care, guidance, and involvement remain invaluable in helping our students grow into confident, resilient, and responsible individuals.

We look forward to working closely with you to make Term 3 a meaningful and successful one for every student.

You will be required to:
